A P I E C E O F B A D N E W S :

As everybody knows real alternative projects always suffer from having NO money..to cut a long story short - RADIO 100 in Berlin does NOT broadcast in the moment.There are negotiations going on in the moment that will solve the problem.Definite decisions will clear the situation in may/june 1991.With a bit of luck the TAPEDEPARTEMENT will be back on the air then...please wait for further notice...

But sure KENTUCKY FRIED ROYALTY (KFR) is still spreading the news about your activities - so a radioshow on tape is produced now by the KFR News departement and is send to various free radiostations (and other key-places) to spread your music.Keep in touch and send your material!!!
